Student Fellowship and Student Travel Fellowship Programme for the Stem Cell Society Symposium 2013, 18th – 19th November 2013

Description

The Stem Cell Society Singapore announces the 1) *Student Fellowship Programme* and the 2) *Student Travel Fellowship Programme*. The objective of the fellowships is to support students with no access to financial resources to attend our symposium in November 2013 - www.stemcell.org.sg/symposia. These two programmes are supported by the INDIAPORE FUND.

The **Student Fellowship** will cover the Symposium registration fees for **post-graduate students** working in Singapore. The **Travel Fellowships** for overseas students will cover the registration fee as well as some support for travel and accommodation. Candidates will be selected solely on the discretion of the Society and the selection will be based on the scientific merit of the abstract submitted as well as the demonstration of the financial need for support.
