

Poster Presentation Manual

Location of poster boards:

- Matrix Building Level 2M (see also in the symposium booklet).

Size of poster/poster board:

- Poster boards are 1m *wide* x 2.25m *high*.
- Posters **must** be smaller than the size of the poster board space.
- Recommended poster size – 0.9m (36 inches) *wide* x 1.5m (59 inches) *high*. Note that posters are in **Portrait** format.
- **Velcro tape** for sticking your posters to the board will be provided.

Poster Set-up:

Tuesday, 17th of November, 2015 by 8:30.

The posters will be accessible throughout the duration of the symposium on both days. So please feel free to invite any potential viewer to your poster.

Poster Take-down:

Wednesday, 18th November 2015, 17:00.

Important Note: posters that have not been removed by 17:00, 18th of Nov. will be discarded by the organizer.

Presentation:

Scheduled Presentation is during lunch breaks (see programme in the symposium booklet). You are required to stand by at your poster at the respective timings highlighted in the programme.

Poster prizes:

There will be attractive poster prizes. For being considered for a poster prize, judges need to be able to discuss with the presenters during the poster session. Please make sure that you are at your poster for keeping your chances to win a poster prize alive.
